

The Future of Healthcare... Today! Care Entrée

ALEXPRO Marketing Systems.

Welcome

A Healthcare Savings Program that can save you up to 80 % on all your healthcare needs, including physicians and hospitals. This is not an insurance plan, but a patient advocacy program that will minimize your out-of-pocket healthcare expenses.

The Affordable Choice

With Care Entrée's low –cost programs, your family can save on doctors, dentists, labs, hospitals, medications, hearing aids, eyeglasses, chiropractic, emergencies, pregnancy, surgery, physical therapy, alternative care, long term care & much more.
