

MEDICAL

Our pre-negotiated rates can save you up to **80%** on hospitals (available in 30 days) & 20-50% on doctors & office visits. Over **350,000** providers nationwide, with greatest savings on catastrophic medical bills that involve hospitalization; like heart attacks, surgery, strokes and cancer.

The Medical Savings Program

Members receive their own directory of the most commonly used providers in their area. To locate a hospital or medical specialist, members call the Care Entrée toll-free number. A partial list of specialties and medical services:

- | | |
|-------------------------------|-------------------------------|
| Hospitals | Urologists |
| Family Practice | Anesthesiologists |
| General Practice | Physical Therapy |
| Internal Medicine | Chemical Dependency Treatment |
| Radiology | Gynecologists & Obstetricians |
| Orthopedics | Mammograms |
| Surgery | Dermatologists |
| Rehabilitation Centers | Pediatricians |
| Chiropractors | Podiatrists |
| Psychiatrists & Psychologists | Oncologists |
| Lab Tests | And More... |

Average Savings

While savings can vary by actual services rendered, the provider and the region or state, the following figures may be used as an idea of savings. Please see [Savings Examples](#) for specific examples of actual savings by Care Entrée members.

| | |
|---------------------------------------|-----------|
| Physicians and Hospitals | Up to 50% |
| Ancillary Services (Lab, X-Ray, etc.) | Up to 50% |
| Home Health Care | Up to 30% |
| Physical Therapy | Up to 20% |
| Psychiatric Treatment | Up to 25% |

| Product or Service | Original Price \$ | Care Entrée Price \$ | Savings \$ | Savings % |
|------------------------------|-------------------|----------------------|------------|------------|
| Medical:ion | | | | |
| Office Visit, New Patient | 85 | 55 | 30 | 35% |
| Office Visit, Estab. Patient | 59 | 30 | 29 | 49% |
| Office Visit, High Severity | 89 | 73 | 16 | 18% |
