24-HOUR HEALTH HOTLINE

Speak toll-free to registered nurses who can explain the urgency of an illness or medical situation, either for you or family members. Get answers even at night. Plus, access an Audio library of over 400 medical topics.

**24 Hour Toll Free Hotline Staffed
by highly experienced live
registered nurses!**

These experienced nurses can offer medical advice to help you understand the urgency of a situation, whether you need to go to the hospital or whether other, less expensive options will help resolve the issue!

Care Entrée also provides a 24-Hour Toll-Free Health Information Line, which provides recorded information on over 400 medical topics.
